

Sevarg™

Sub Series
Bench top photocutters

- Designed to cut photographic paper or film.
- Robust Aluminium body.
- Angled front face.
- Twin cut option.

Robust aluminium body finished in durable epoxy paint. The cutting components are hardened tool steel ground to an accuracy that will guarantee thousands of clean cuts with a smooth light cutting action.

Angled front face for ease of cutting. SUB twin cut available for cutting two images at once. All cutters come with a 12 month warranty.

Sevarg cutters are manufactured in Great Britain by Clamcleats Limited. For more information about this and our other range of cutters please contact:-
